Sheba Medical Center Signs MOU with Vietnam's Vin University

Sheba Medical Center's international business division, Sheba Global, signed a ground-breaking MOU (Memorandum of Understanding) with Vietnam's Vin University, Vinhomes Ocean Park, Gia Lam District that will promote cooperation in the following areas: 3D Technology in Medicine Center, Medical Training and Education.

These programs will enable to share training know-hows and knowledge transfer in different medical specialties for all medical professions in multiple types of activities including:

- **Onsite Visiting Experts Program:** Where Sheba will bring its experts to the healthcare facility, enhancing knowledge and patient care on-site.
- **Offsite:** Attending courses on the Sheba campus where a variety of programs will allow participants to experience first-hand one of the world's premier healthcare facilities.
- **Online**: Sheba will offer a wide range of online medical courses, providing caregivers with an advanced, convenient way of learning from and interacting with Sheba's premier experts.
- **Consultancy:** provide consultation services for the establishment medical facilities/ Services
  - Gap Analysis / Needs
  - Assessment
  - IT & Digital Transformation
  - Medical Equipment Procurement
  - HR Selection Criteria & Evaluation
  - Medical Protocols, Procedures & Policy Development

- Accreditation Preparation

- Training, Educational & Simulation Program Design

- Healthcare Facility Design & Planning

The MOU's 3D Tech element will highlight a 2- week **3D Technology in Surgical Planning and Preparation**, led by Dr. Dina Orkin, Chair of the Division of Operation Theater and 3D Tech Lab at Sheba Medical Center. This two-week program offers a unique opportunity to delve into the intricate workings of Sheba's cutting-edge 3D laboratory, seamlessly integrated within operating rooms.
